Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar. From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The Audi A1
– a big idea condensed.

The humble paper clip. The tungsten filament. The silicon chip. Sometimes, the biggest ideas are found in the smallest things. And, featuring many of the advanced technologies you'll find in our larger models, the same goes for the Audi A1.

With a choice of efficient and powerful TDI® and FSI® engines, Audi drive select as standard on Sport models and above and optional 7-speed S tronic® transmission, the A1 doesn't compromise on performance either.

Combine this with a wide choice of trim options and colour choices, including leather and Alcantara upholstery, and it's easy to see how the A1 is packed with big ideas.

IN A 1008

PEACE, LOVE AND

HAPPINESS

Efficiency

without compromise.

Design. Technology. Efficiency. We've incorporated a lot into the A1 to ensure you get a lot out. While increasing the power output of the TDI® and FSI® engines by up to 10%, we've also found new ways to improve their efficiency by up to 8% over the previous model.

Combine this with other efficient technologies like Start-Stop and the result is a car that uses less fuel, wastes less energy and releases less CO_2 – just 92g/km from the 1.6TDI®. It's no surprise then, that the entire A1 range meets the highest EU6 emission standards.

If that wasn't enough, Sport, S line and S1 models also come with Audi drive select featuring an efficiency mode setting. And, while this allows you to choose an even more frugal configuration when it suits, it's still in a car that doesn't compromise on performance.

A1: The inside story

Chrome-plated controls and a 3-spoke steering wheel give the A1 a sporty, dynamic look. For comfort and entertainment, air-conditioning, DAB radio and a manually retractable MMI screen come as standard.

And, with a wide choice of interior options from upholstery to colour co-ordinated air vents, centre consoles and even armrests, it's easy to add your personal touches to the A1.

Image for illustrative purposes only.

Audi Connect

Stay networked on the move.

Being inside your car shouldn't mean losing touch with the outside world. That's why, with Audi Connect, the A1 creates a link between you and the internet. With internet access in your car, you can go online to access information, entertainment and Google Earth™ for navigation maps. And, with a wireless hotspot within the car, passengers can connect their mobile devices – to browse the internet or download emails. With Audi Connect, the world is at your fingertips. Available as part of the Technology Package. Please see page 94 for full compatibility information.

Wi-fi hotspot

Connects your mobile devices to the internet

Online media streaming

Access to global radio stations via smartphone app and Wi-fi, plus access to your smartphone's media library

Weather information

Gives you forecasts and maps for your chosen destination

News online

Text and images about current world events

City events

Up-to-date information about events happening at your destination

Points of interest

Search Google™ using voice control for points-of-interest to return relevant information such as photos, opening times and visitor ratings

Traffic information online

Complements the dynamic route guidance with real-time traffic flow information for individual stretches of road

Fuel prices

Information on filling stations with the cheapest prices in your selected search area

Country specific information

The legal regulations for a specific country, such as speed limits or whether it is compulsory to carry a high-visibility vest or display a motorway toll sticker, are displayed when crossing a border

Parking information

Helps you find car parks nearby and, where available, information on prices and currently vacant spaces

Navigate with Google Earth™ and Google Street View™

Uses high-resolution aerial and satellite images to guide you to your destination. Photos, terrain information, roads and their names as well as business listings supplement the information. Google Street View provides a virtual run-through of the street views from any angle

Destination entry via myAudi or Google Maps™

If required, navigation destinations can be conveniently planned on your PC or smartphone. myAudi and Google Maps™ allow individual navigation destinations to be sent to the vehicle. When you start your journey, these can be easily loaded as your destination.

Travel information

Sightseeing information – with a function for importing the destination to the navigation system.

Please note that an external data source is required to enable Audi Connect online services. Terms and conditions apply to certain Audi Connect functions. Please see pages 62 and 94 for additional information.

Technology

Image for illustrative purposes only.

Customise. Enhance. Enjoy.

From navigation to entertainment to driver assistance and information, an entire range of options is available to help you customise and enhance your experience of driving the A1.
To make choosing yours simple, we've grouped some of our most popular technology options together in our Technology package. For more details, please refer to page 19 and 62.

Advanced key

Advanced key allows the driver to keep the key in their pocket or bag at all times. The car can be opened by lifting the drivers door handle and locked by pressing the button on the handle.
The engine can be started and stopped by pressing the start/stop button integrated into the dashboard.

BOSE® surround sound

5.1 surround sound* with dynamic noise-compensation, 10-channel amplifier, 14 loudspeakers including centre speaker in the dashboard and 2 surround loudspeakers in the rear shelf. Total output of 465 Watts. Speaker housings with bevelled edge plus lighting for door speakers.

Audi drive select

Features three pre-configured modes (Efficiency, Auto and Dynamic) allowing the driver to electronically adjust the engine, steering and gearshift changes (with S tronic transmissions). Standard on Sport, S line and S1 models.

Connectivity

The most convenient way to both use and charge your mobile phone, simply by placing it in the Audi Phone Box storage compartment in the front centre armrest. Audi Phone Box creates a 'wireless' connection to the car for improved reception quality, hands-free facility and voice control.

*When combined with Technology package.

Image for illustrative purposes only. Please note when ordering panoramic sunroof, the roof will be in body colour.

Packages

Personalisation simplified

Choosing the options to enhance your A1 is an important part of ensuring your car is right for you. Some items work well together so we've put our most popular equipment into packs for simplicity and added value. The Technology pack features Audi Connect and HDD-based Satellite Navigation. The Comfort pack now includes Driver's Information System (DIS) and high-beam assist. The Design pack allows you to further enhance the interior and exterior of your car by adding options such as a panoramic sunroof and LED interior lighting. For further details please see page 62.

Technology pack

- Audi Music Interface (AMI)
- HDD-based Satellite Navigation
- MMI Plus
- Audi Connect

Comfort pack

- Driver's Information System (DIS)
- Cruise control
- Auto-dimming rear view mirror
- Rear parking sensors
- Light and rain sensors
- High-beam assist

Design pack

- Privacy glass
- LED interior light pack
- Folding door mirrors
- Panoramic sunroof

quattro

S1

Striking design meets stunning performance

Powered by a 2.0-litre TFSI engine, producing an impressive 231PS and 370 Nm of torque, the high-performance S1 can achieve a blistering 0-62mph in 5.8 seconds with a top speed of 155mph.* Power and performance that puts the S1 firmly at the pinnacle of the A1 range.

For exceptional handling, quattro® all-wheel-drive, electromechanical power steering and Sports suspension are fitted as standard. You can further optimise your drive with Audi drive select; its three modes – Efficiency, Dynamic and Auto – allow you to change the characteristics of the steering, suspension and acceleration to suit your individual style.

But it's not just the S1's handling and performance that will leave an impression. From contrasting upholstery stitching to the eye-catching quattro® styling packs (details of which can be found on page 64), the S1 looks as impressive on the inside as it feels to drive.

*Where the law permits.

S1 quattro®

The legend reincarnated.

quattro®, Audi's intuitive all-wheel drive system, earned its reputation by helping our rally cars to victory on the demanding circuits of the 1980s.

Fitted as standard on the S1, quattro® constantly analyses each wheel and distributes power to where it's needed most. If one wheel loses traction, quattro® makes sure the others compensate to keep the car in control.

The result? Exceptional grip and precise handling, even in less than perfect driving conditions. Acceleration is aided by greater traction, which ensures that the S1 quattro® of today, is every bit as exhilarating as the original.

SE model equipment

All A1 models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO_2 efficiency. Comprising:

- Recuperation for optimal energy utilisation
- Energy saving tips feature in the Driver's Information System: including gearshift indicator (if Driver's Information System is fitted)

Wheels, tyres and suspension

15" x 6J '5-arm' design alloy wheels with 185/60 R15 tyres

Locking wheel bolts

Dynamic suspension

Electromechanical power steering

Tyre repair kit*

Tool kit and car jack

Audio and communication

6.5" display screen in high-gloss black – manually retractable

AUX-IN socket

DAB digital radio reception

Concert radio/single CD player with MP3 file compatibility, 6 speakers in front and rear and 2 tweeters

SD memory card reader

Seats

Standard seats in Zeitgeist cloth upholstery

Driver and front passenger seats with manual height, forwards and backwards adjustment

3 rear seats (Sportback only)

Easy-entry front seats (3-door only)

Split-folding rear seats

Interior equipment

3-spoke Sports steering wheel (with gear-shift paddles for S tronic transmissions)

Steering wheel adjustable for height and reach

Air vent sleeves in matt black

Electric front and rear windows (Sportback only)

Electric front windows (3-door only)

Heat-insulating glass windscreen and side windows

Front floor mats

Heated rear windscreen

Centre console with two cup holders and 12V socket

Illuminated glovebox

Manual air conditioning

Non-smoking package

15" x 6J '5-arm' design alloy wheels

Split-folding rear seats

6.5" display screen in high-gloss black

Standard seats in Zeitgest cloth

*Option available to fit spare wheel is available from Audi Centres, please speak to your Centre for information and pricing.

Exterior equipment

Body-coloured door mirrors with integrated indicators

Exterior mirrors – heated and electrically adjustable

Halogen headlights

Rear fog light

Safety and security

Adaptive brake lights

Driver, front passenger, front side and head airbag system

Electronic Stability Control (ESC), including ABS, EBD, ASR and EDL

First aid kit

Front passenger airbag deactivation switch

ISOFIX child seat mounting – for outer rear seats, including Top Tether attachment

Rear head restraints (adjustable) on all seats

Remote central locking with 2 foldaway keys

Seat belts – 3-point on all seats

Seat belt monitoring for all seats

Seat belt height adjustment for front seats

Secondary Collision Brake Assist

Thatcham Category 1 alarm and immobiliser

Tyre pressure monitor

Warning triangle

Image shows the A1 SE model with optional Glacier white, metallic paint (2Y).

Sport model equipment

In addition to SE model equipment

Total RRP inc VAT
£1,975.00

Wheels, tyres and suspension

16” x 7J ‘5-spoke’ Sport design alloy wheels with 215/45 R16 tyres

Sports suspension with stiffer spring and damper settings (de-selection of Sports suspension is available)

Audi drive select – Features three pre-configured modes (Efficiency, Auto and Dynamic) allowing the driver to electronically adjust the engine, steering and gearshift changes (with S tronic transmissions). Not available on the 1.0 TFSI engines

Audio and communication

Audi Music Interface – Universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod touch). The interface provides charging function (dependent on device)

Mobile telephone preparation – Bluetooth interface

Bluetooth Audio Streaming

Voice control of key telephone and radio functions

Two SD card readers – with preparation for SD card based Satellite Navigation

Seats

Front Sports seats in Tornado cloth upholstery

Manually adjustable lumbar support in front seats

Exterior equipment

Front fog lights

Polished tailpipe(s)

Interior equipment

3-spoke leather Sports multi-function steering wheel (with gear-shift paddles for S tronic transmissions)

Driver’s Information System (DIS) – 3.5” monochrome display in the dashboard binnacle. The DIS shows the radio frequency/station or track title, telephone control menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer, door or boot open warning and efficiency program

Washer fluid level indicator

Air vent sleeves in high-gloss black

Aluminium trim for control switches, glove compartment, door handles and door sills

Leather handbrake grip and Sports gear knob with aluminium trim

16” x 7J ‘5-spoke’ Sport design alloy wheels

Driver’s Information System (DIS)

3-spoke Sports leather multi-function steering wheel

Air vent sleeves in high-gloss black

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A1 Sportback Sport model with optional Nano grey, metallic paint (G3).

S line model equipment

In addition to Sport model equipment

Total RRP inc VAT
£1,995.00

Wheels, tyres and suspension

17” x 7.5J ‘10-spoke’ high-gloss alloy wheels with 215/40 R17 tyres

S line Sports suspension

Seats

Front Sports seats in Sprint cloth/leather upholstery with embossed S line logo

Exterior equipment

Xenon headlights with LED daytime running lights – includes automatic headlight adjustment, dynamic range control and headlight washers

LED rear lights

S line badges on front wings

S line body styling – includes radiator grille in high-gloss black, front Sports bumper, side-skirts and rear bumper

Rear diffuser – painted in Platinum grey

S line roof spoiler

Interior equipment

3-spoke leather Sports multi-function steering wheel with aluminium inlay, S line badging and perforated leather trim (with gear-shift paddles for S tronic transmissions)

Black cloth headlining

Door sill trims with aluminium inlays and S line lettering

LED interior light package

17” x 7.5J ‘10-spoke’ high-gloss alloy wheels

Front Sports seats in Sprint cloth/leather

Xenon headlights with LED daytime running lights

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A1 S line model with optional Scuba blue, metallic paint (S9) with contrast roof line in Brilliant black (A2).

S1 model equipment

In addition/ replacement of Sport model equipment

Wheels, tyres and suspension

17” x 7.5J ‘5-parallel-spoke’ ‘S’ design alloy wheels with 215/40 R17 tyres

‘S’ sports suspension with adjustable dampers. Offers improvement in ride comfort and driving dynamics thanks to two individual damper set-ups that can be controlled via Audi drive select

‘S’-specific, more direct steering. Features speed-dependent steering assistance which can be configured via Audi drive select

quattro® permanent all-wheel-drive

Audi drive select – (in addition to Sport) allows the driver to adjust the dampers and engine sound

Seats

Black Sector cloth/leather upholstery with embossed S1 logo and contrasting red stitching

2 rear seats (3-door and Sportback)*

Exterior equipment

‘S’ design body styling – includes radiator grille with S design and S1 logo, front Sports bumper with air inlets, S side skirts, rear diffuser incorporating dual-branch oval twin tailpipes and S1 logo on rear tailgate. Please note that ‘S’ design body styling removes front fog lights

‘S’ roof spoiler

Xenon headlights with LED daytime running lights – includes automatic headlight adjustment, dynamic range control and headlight washers

LED rear lights

Exterior door mirrors in aluminium styling

Black brake calipers with S1 logo on front calipers

Light and rain sensors

Interior equipment

3-spoke leather Sports multi-function steering wheel with high-gloss S1 badge and perforated leather trim

Door sills with aluminium inlays and S1 logo

‘S’ specific gear lever knob

LED interior lighting package. Includes illuminated door handles, footwell lighting, illuminated vanity mirrors, illuminated glovebox, front reading lights and ambient lighting

Electronic climate control

Pedals in stainless steel

MMI with S1 logo

Centre console and door armrests in mono.pur

17” x 7.5J ‘5-parallel-spoke’ S design alloy wheels

Rear diffuser incorporating dual-branch oval twin tailpipes

Door sills with aluminium inlays and S1 logo

*Please note 3-seat rear bench is not available on S1.

Image shows the S1 3-door model with optional Vegas yellow, gloss paint (L1) and contrast roof line in Brilliant black, gloss (A2).

Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your A1 looks.

17” x 7.5J ‘5-arm’ design bi-colour alloy wheels – **CP2**

17” x 7.5J ‘5-V-spoke’ design bi-colour alloy wheels – **CP3**

18” x 7.5J ‘5-arm Wing’ design high-gloss titanium finish alloy wheels – **F41**

18” x 7.5J ‘5-V-spoke’ design titanium finish, diamond cut alloy wheels – **CF9**

18” x 7.5J ‘5-parallel-spoke Star S’ design alloy wheels – **C0C**

Please note that the size of your chosen A1 wheel may affect the fuel consumption figures and the CO_2 emissions. This may result in a change in subsequent Vehicle Excise Duty payable. Please see pages 84, 85, 87, 88 and 94 for more details.

Options are subject to availability and may extend delivery.

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

If you drive under 10,000 miles per annum your vehicle will be placed on a Fixed Inspection Service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

Audi Complete is our fixed-cost maintenance plan, which helps you keep your Audi in top condition and stay in control of your finances. For a simple monthly payment, you could cover your car's servicing, maintenance and, if you want, its tyres too.

So not only will you ensure your car runs smoothly, you'll also protect its future resale value. And because everything's covered by one competitive price, there's no need to go anywhere else.

Pricing is completely tailored to your vehicle and takes into consideration the options you have on your vehicle and your likely annual mileage and resultant service schedule. Please speak to your Audi Centre for a personalised quote for Audi Complete.

Service Plan

Choosing an Audi Service Plan provides an easy way to cover all your car's scheduled servicing with a one-off payment. It can take care of everything from fluid and filter changes to your full service, ensuring you retain a full Audi service history. There are no servicing bills to plan for and you'll continue to benefit from today's prices for the length of your agreement.

**For further details on Service Schedules please see page 82.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A1, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standard and they're all available exclusively from Audi. To find out more, just visit your local Audi Centre.

Warranty

All of the accessories available on the A1 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.

Audi Accessories warranty terms and conditions can be found at audi.co.uk

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

The Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the Fixed Inspection Service and the Flexible Service schedule. The conventional Fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by Automobile Association Insurance Services Limited. Also included is roadside assistance throughout Europe, managed by Automobile Association Insurance Services Limited.

For further information and terms and conditions please visit audi.co.uk

*1.4 TFSI engine with Audi cylinder-on-demand technology.

**Please note that luggage capacity is reduced when a BOSE® surround sound system or Technology package is fitted.

†Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Top speed is achieved in top gear.

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

A1 Sportback technical data

Depending upon your chosen A1 Sportback wheel size, different efficiency figures for CO_2 emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14. This table is a quick reference guide to assist you in finding the correct values based on wheel sizes and chosen engine.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

Audi Financial Services

Audi Financial Services specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi complimentary five day insurance you can. To activate simply call 0330 303 6900, provide us with a few details, and we'll send a cover note to your Audi Centre. They will then tax your car and you can drive it away. Telephone lines are open Monday to Friday 8am – 8pm and Saturday 9am – 4pm. For details of our full range of Insurance products visit insurewithaudi.co.uk

Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965.Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£110.00
E – 131 to 140g/km	£130.00	£130.00
F – 141 to 150g/km	£145.00	£145.00
G – 151 to 165g/km	£180.00	£180.00
H – 166 to 175g/km	£295.00	£205.00
I – 176 to 185g/km	£350.00	£225.00
J – 186 to 200g/km	£490.00	£265.00
K – 201 to 225g/km	£640.00	£290.00
L – 226 to 255g/km	£870.00	£490.00
M – over 255g/km	£1,100.00	£505.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.

Audi Connect

An external data source is required to enable Audi Connect online services. One of two can be used:

1. A mobile telephone with Bluetooth SIM Access Profile – to check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/phonecompatibility
2. A separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands-free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands Free Profile

Online services are only available for mobile phone contracts or SIM cards which include a data option. Online services will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended. The content and scope of the online based services offered may vary.

The Audi Connect services are provided for at least one year from vehicle delivery. After 24 months from delivery of the vehicle, the term of the Audi Connect services will be extended free of charge once for 12 months.

Please note that the services received are also dependent on the capability of your mobile phone.

Google and the Google logo are registered trademarks of Google Inc.

The availability of services supported by Audi Connect varies from country to country.
